The UCSF Department of Psychiatry Grand Rounds series (course number MGR18074) seeks to promote excellence and quality in clinical care; introduce clinicians to recent advances in medical care; provide updates on scientific advances that affect the practice of medicine; and provide a forum for discussion of topics that strengthen the relationship of psychiatry to the broader community.

Events are held on Tuesday mornings from 8 - 9:30 a.m. on the UCSF Parnassus campus. These events are for professional audience members only.
