

Child and Adolescent Psychiatry Grand Rounds

[1]

The UCSF Child and Adolescent Psychiatry Grand Rounds series (course number MGR22005) seeks to promote excellence and quality in clinical care; introduce clinicians to recent advances in medical care; provide updates on scientific advances that affect the practice of medicine; and provide a forum for discussion of topics that strengthen the relationship of child and adolescent psychiatry to the broader community.

Events are usually held at 12:00 p.m. on Wednesdays and are currently only held online via Zoom in accordance with the UCSF Interim Policy on Large Events and Gatherings [2]. Advance registration is required to receive the necessary Zoom connection information. Information about upcoming events and videos of previous talks are available below.

Child and Adolescent Psychiatry Grand Rounds presentations are for educational purposes and intended only for behavioral/mental health professionals and clinical providers. Continuing education (CE) credit is available for physicians, psychologists, nurses, and therapists (LCSWs, LEPs, LMFTs, and LPCCs) who participate in this activity.

For more information about Child and Adolescent Psychiatry Grand Rounds, contact series coordinator Samantha Ybona [3].

Upcoming 2021?2022 Child and Adolescent Psychiatry Grand Rounds

Jan. 26, 2022
Register now [4]

Improving Access to Care for Children and Adolescents: The MA Child Psychiatry Access Program [5]
