The UCSF Department of Psychiatry and Behavioral Sciences Intensive Services Grand Rounds series (course number MGR22066) seeks to promote excellence and quality in clinical care, introduce clinicians to recent advances in medical care, provide updates on scientific advances that affect the practice of medicine, and provide a forum for discussion of topics that strengthen the relationship of intensive services psychiatry to the broader community.

Events are usually held at 1:00 p.m. on the fourth Monday of each month and are currently only
held online via Zoom in accordance with the UCSF Interim Policy on Large Events and Gatherings. Advance registration is required to receive the necessary Zoom connection information. Click on a date below for speaker details, learning objectives, and more information.

Intensive Services Grand Rounds presentations are for educational purposes and intended only for behavioral/mental health professionals and clinical providers. Continuing education (CE) credit is available for physicians, psychologists, nurses, LMFTs, LCSWs, LPCCs, LEPs, and pharmacists who participate in this activity.

For more information about Intensive Services Grand Rounds, contact series coordinator Myra Gloria.
