Bruns recognized with 2019 Krevans Award

April 10, 2019 - 11:26am

ByNicholas Roznovsky[1]

Elizabeth Bruns, MD, MS [2]

First-year psychiatry resident Elizabeth Bruns, MD, MS [2], has been selected as the recipient of the 2019 PGY-1 Krevans Award in psychiatry by her peers and faculty members at Zuckerberg San Francisco General Hospital and Trauma Center (ZSFG) for her outstanding clinical skills and dedication to serving vulnerable and underserved patients. She will receive her award at the annual ZSFG Medical Staff Dinner in June.

?Liz has really stood out for her longstanding and deep dedication to public psychiatry and our patients,? said Emily Lee, MD [3], clinical professor of psychiatry and medical director for inpatient psychiatry at Zuckerberg San Francisco General Hospital and Trauma Center. ?We are very fortunate to have her joining us in always looking for innovative ways to help our patients and system of care.?

The Krevans Award, named in honor of UCSF's fifth chancellor Julius R. Krevans, MD [4], is given annually to one intern in each specialty at ZSFG in recognition of "excellence in patient care, as exemplified by clinical competence, professional conduct, compassion for patients

and outstanding interaction with all levels of staff, including peers."

Other recent recipients from the Department of Psychiatry include Jennifer Lee, MD [5] (2018); Pedro Duran, MD [6] (2017); and Brooke Rosen, MD [7] (2016).

About UCSF Psychiatry

The UCSF Department of Psychiatry [8], UCSF Langley Porter Psychiatric Hospital and Clinics [9], and the Langley Porter Psychiatric Institute are among the nation's foremost resources in the fields of child, adolescent, adult, and geriatric mental health. Together they constitute one of the largest departments in the UCSF School of Medicine and the UCSF Weill Institute for Neurosciences, with a mission focused on research (basic, translational, clinical), teaching, patient care, and public service.

UCSF Psychiatry conducts its clinical, educational and research efforts at a variety of locations in Northern California, including UCSF campuses at Parnassus Heights, Mission Bay and Laurel Heights, UCSF Medical Center, UCSF Benioff Children's Hospitals, Zuckerberg San Francisco General Hospital and Trauma Center, the San Francisco VA Health Care System, and UCSF Fresno.

About the UCSF Weill Institute for Neurosciences

The UCSF Weill Institute for Neurosciences [10], established by the extraordinary generosity of Joan and Sanford I. "Sandy" Weill, brings together world-class researchers with top-ranked physicians to solve some of the most complex challenges in the human brain.

The UCSF Weill Institute leverages UCSF?s unrivaled bench-to-bedside excellence in the neurosciences. It unites three UCSF departments?Neurology, Psychiatry, and Neurological Surgery?that are highly esteemed for both patient care and research, as well as the Neuroscience Graduate Program, a cross-disciplinary alliance of nearly 100 UCSF faculty members from 15 basic-science departments, as well as the UCSF Institute for Neurodegenerative Diseases, a multidisciplinary research center focused on finding effective treatments for Alzheimer?s disease, frontotemporal dementia, Parkinson?s disease, and other neurodegenerative disorders.

About UCSF

UC San Francisco (UCSF) [11] is a leading university dedicated to promoting health worldwide through advanced biomedical research, graduate-level education in the life sciences and health professions, and excellence in patient care. It includes top-ranked graduate schools of dentistry, medicine, nursing and pharmacy; a graduate division with nationally renowned programs in basic, biomedical, translational and population sciences; and a preeminent biomedical research enterprise.

It also includes UCSF Health [12], which comprises three top-ranked hospitals ? UCSF Medical Center and UCSF Benioff Children?s Hospitals in San Francisco [13] and Oakland [14] ? as well as Langley Porter Psychiatric Hospital and Clinics, UCSF Benioff Children?s Physicians, and the UCSF Faculty Practice. UCSF Health has affiliations with hospitals and health organizations throughout the Bay Area. UCSF faculty also provide all physician care at the

public Zuckerberg San Francisco General Hospital and Trauma Center, and the San Francisco VA Medical Center. The UCSF Fresno Medical Education Program is a major branch of the University of California, San Francisco?s School of Medicine.
